Hey LB..., Come Join The

Liberty-Benton

Smile Parade

Monday, April 20th

2:00

- We will start at 2:00 at the Heritage Nursing Home on Greendale Ave. We will drive through their area and parking lots, in a single car parade line, waving, beeping horns, making their residents smile!

- Then, we will drive through downtown Findlay as a way to spread smiles and thank downtown businesses.

- We will continue down past the hospital and out to the Fox Run Manor Nursing Home.

- When we arrive at Fox Run Manor, their residents will be ready for our Smile Parade at approximately 2:15ish. We will drive through their area and parking lots, waving, beeping horns, making their residents smile!

- Any of our LB students, staff, and families are welcome to participate. The more, the merrier! Whole families are welcome. It can be your field trip for the day!

- HS Students, if you are driving yourselves, please have your parents' permission.

- We need to all practice social distancing. Everyone needs to stay in their cars. Residents are not able to come outside so they will all be watching from their windows. Please look for them! This will be their closest thing to visitors!

- If you decorate your car with signs, streamers, balloons, etc..., you will only need the decorations on the right side of your car for both nursing homes to see.

- The nursing homes are really looking forward to this! Some residents are hard of hearing so the directors said the more beeping, the better. This is going to make their day!

- During our parade, please drive slowly in a single file parade line with your flashers on.

- Thank you for your participation! #WeAreLB

We will start lining up at 1:45 outside of The Heritage Nursing Home, 2820 Greenacre Dr.

After we leave The Heritage Nursing Home, we will go South down Main Street, through downtown, past the hospital, and turn right (West) onto Township Road 145, and do the same sort of parade around the Fox Run Nursing Home, 11745 Township Road 145. The whole route is 6 miles.
