We now offer QuikApps 2.0 as a resource for the parents of  
students in our district.

- You only need to fill out and submit one simple, automated online application for all your children in our district.
- All of the information you provide in the application is secure and private.
- With QuikApps 2.0, you can fill out the free-and-reduced meal application on your phone, tablet, or computer.
- And QuikApps 2.0 is fully English-Spanish bilingual!
