

**Bloomfield--Mesopotamia
Basketball**

SKILLS AND DRILLS SESSIONS

Sessions will focus on ball handling, passing, shooting, rebounding, and the principals of defense. We plan to group the kids to play games against one another the last 2 sessions. We are excited for this opportunity to connect with the youth and build a foundation for Bloomfield-Mesopotamia Basketball for years to come. Please complete the sign up sheet and return it to the school office.
