Northwest Ohio Educational Service Center CCP Agreement

CCP Admission <CCPAdmission@utoledo.edu>
To: Troy Armstrong <tarmstrong@wauseonindians.org>

Wed, Feb 8, 2023 at 8:35 AM

Good Morning Troy,

Yes our new updated CCP mailbox is ccpadmission@utoledo.edu. As of the 2022-2023 school year we are no longer offering CCP agreements to our school districts since our cost per credit has matched the state's approved rate. This meaning any school district within Ohio can work with UToledo without the need of an agreement. Let me know if you have any other questions.

Matthew J. Will

To: "tarmstrong@wauseonindians.org" <tarmstrong@wauseonindians.org>

Troy,

I'm so sorry we keep missing each other(!), but I realize we are largely sorting this out via voicemail.

My inclination is that we can discontinue the signature process, given the University is operating at the default rates as established by the state. Sending that in this email so you have it in writing for your purposes, but of course happy to talk about this more over the phone, too.

Thanks for reaching out about this; sorry for the missed calls this year and for not communicating clearly in the previous cycle. We are grateful for your district's investment in your students in giving them the opportunity to participate in the state's College Credit Plus program, and we appreciate the collaboration always!

Rob

College Credit Plus Contract

This contract is entered into and between Lourdes University and **Wauseon Exempted Village Schools**.

The term of this College Credit Plus Agreement is effective for the time period of **August 2023 through July 2024**.

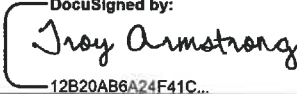

The specific terms of this Agreement are as follows:

1. Tuition and General Fees for participation in College Credit Plus will be assessed at a rate of **\$41.64 per credit hour**. This cost will be paid by **Wauseon Exempted Village Schools**.
2. Participating students from **Wauseon Exempted Village Schools** should obtain required books and other materials using the Lourdes University online bookstore. A bookstore credit will be applied to the students' account for purchasing. The cost of the required course materials will be funded by **Wauseon Exempted Village Schools**. Lourdes University will submit invoices for the books following the add/drop period of each semester.
3. A parking fee of \$50 will be assessed to the student if they will be bringing a vehicle to campus.
4. Terms of this contract are subject to revision pending changes in Ohio Department of Education legislation regarding College Credit Plus.

By signing below, both parties agree to the terms of this contract.

YOUR SUCCESS STARTS HERE.

Office of the President

February 3, 2023

Re: College Credit Plus – Approval of Negotiated Rate

To Whom It May Concern:

As approved by the Owens Community College Board of Trustees Resolution 2022-12-06-05, the following is the negotiated rate and alternative payment structure for the 2023-2024 school year between Owens State Community College and the school or district referenced in the Agreement to which this letter is attached:

\$140 per credit hour: College course delivered on the college campus

\$80 per credit hour: College course delivered online

\$80 per credit hour: College course delivered at the secondary school and taught by a credentialed college faculty

Default floor
amount per credit hour: College course delivered at the secondary school and taught by credentialed secondary school faculty

Sincerely,

Dione D. Somerville, Ed.D.
President

COLLEGE CREDIT PLUS PARTNERSHIP AGREEMENT

This Agreement is entered into this 03 day of March, 2023, between Owens State Community College, herein referred to as the "College" and Northwest Ohio Educational Service Center Participating School Districts School District herein referred to as "District".

WHEREAS, the College and District wish to engage in an arrangement where students can engage in non-remedial educational coursework while in high school that, upon successful completion of said coursework can result in college credit, and,

WHEREAS, the College, as part of its educational services pursuant to Ohio Revised Code §3358 is authorized to arrange for credit course(s) and agrees to provide such credit to the District,

NOW, THEREFORE, in consideration of the mutual promises and agreements set forth herein and in accordance with all provisions of College Credit Plus program herein referred to as "Program" pursuant to Ohio Revised Code §3365.01 *et seq*, the Parties agree as follows:

I. Program Delivery Options

Students enrolled in the District in grades 7-12 may participate in the Program by enrolling in college-level, nonremedial, nonsectarian courses that apply to at least one degree or professional certification offered by College, provided they meet any statutory and/or regulatory requirements that apply. The options may be delivered pursuant to any or all of the following delivery models:

- a. College Campus-Based Program – This option shall permit participants in the Program to take one or more classes for transcribed college credit at facilities provided by the College, taught by College faculty or instructional staff. Such courses shall be pursuant to the College's academic calendar. Online courses taught by College faculty or staff shall be included in this model.
- b. District Site-Based Program – This option shall permit participants in the Program to take one or more classes for transcribed college credit at facilities provided by the District, taught by College faculty or instructional staff. Such courses shall be pursuant to an academic calendar as agreed between the Parties.
- c. District-Taught Program – This option shall permit participants in the Program to take one or more classes for transcribed college credit at facilities provided by the District, taught by District faculty or instructional staff who have met the statutory and/or regulatory qualification requirements and have been approved by the College. Such courses shall be pursuant to an academic calendar as agreed between the Parties.

II. Term of Agreement

1. The initial term of this Agreement shall commence upon execution by both Parties and shall continue until June 30, 2024.

III. College Responsibilities

1. Apply established standards and procedures for admission to the College and for course placement for participants, using any additional criteria that may be required by law. ORC §3365.05 (A).
2. Ensure that all faculty and instructional staff participating in the Program meet credential requirements established by the Ohio Department of Higher Education to confer both college and high school credit for completion of a course.
3. Provide the necessary registration mechanism to enroll students in approved coursework in the College Course Inventory.
4. Make the College placement test available for use by District.
5. Award transcribed credit for all Program courses successfully completed by participant. ORC §3365.02 (A).
6. Provide at least one professional development opportunity per year to all District teachers who instruct a course through the Program under this Agreement, with such session complying with any regulatory requirements. ORC §3365.05 (G)(1).
7. Conduct at least one observation of each Program course taught by a District to ensure that course meets the quality of a college-level course. ORC §3365.05 (G)(2).
8. Assign an academic advisor employed by the College to each participant to discuss the Program and course(s) for which the participant is enrolled.
9. Provide written notices to participants, participant's parents, District, of the participant's admission to the College and specified courses as required by ORC §3365.05 (B).
10. Provide each school counselor the following information (prior to first day of term of enrollment): a) a roster of enrolled participants from within the District and a list of course assignments for each participant and b) the date signifying when withdrawal for a course would negatively affect a participant's grade.
11. Provide each participant and the participant's District: a) the courses and hours of enrollment of the participant and b) the option elected by the participants under division (A) or (B) of ORC §3365.06 as required by ORC §3365.05 (B).
12. Communicate with District regarding any disciplinary concerns with student(s) including academic dishonesty
13. Automatically withdraw a student from courses in the Program who has been expelled from the District (within five days of receiving notice from the District of such expulsion) and provide refunds as required by law.
14. Provide all curricula and course evaluations for Program courses.
15. Promote Program on College website pursuant to ORC §3365.05(D).
16. Provide participating students the privileges afforded other credit students including for example library services, tutoring services, and computer lab access.
17. Provide unofficial transcripts to the District administrator/counselor at the end of the semester.

IV. District Responsibilities:

1. Provide information about the Program to all students in grades 6 to 11 before the District's general deadline for student course registration for the next school year. Such may include a model course pathway established in consultation with the College (See College's Sample Model Pathway attached as Exhibit A).
2. Ensure that Program participants do not exceed the maximum number of credit hours approved by the Ohio Department of Education. In the event that a participant exceeds the number of credit hours approved by the Ohio Department of Education, the District or Student/Parent will be responsible for all tuition and fees incurred for excess credit hours.
3. Award high school credit for all courses completed by participants through the Program with transcript indication that the credits were earned as a participant of the Program through Owens Community College.
4. Provide notice of expulsion of any student enrolled in a College course under this Agreement, as set forth in ORC §3365.032.
5. Unless otherwise agreed to by parties, provide and pay for any disability-related reasonable accommodations provided to student(s) during the enrollment process and in connection with any College course.
6. Assess students to ensure eligibility as defined by §3365.03 .
7. If desired, provide the College with the time and location to assess and register students into the selected courses as determined by the student, their test scores and the District's counselor or designated official.
8. Report course additions or withdrawals through the College's Office of Admissions.
9. For District Site-based and District Taught Options the District, provide all services and facilities (including adequate rooms, equipment, computer terminals, software, handouts and classroom supplies) as may be necessary for the instruction of courses(s) as defined by College Academic Chair.
10. For District-Taught Option:
 - i. Allow the College access to interview and observe the instructor teaching the class as set forth in ORC §3365.05.
 - ii. Allow instructors to meet for at least one professional development activity each year as may be provided by the College.
 - iii. Require that any District teachers assigned to teach College coursework sign the College's Duties and Responsibilities of a College Credit Plus Instructor Acknowledgement form, which details the instructional duties and responsibilities of Adjunct Instructors.
 - iv. Utilize College Academic Chair-approved syllabi, assessments and textbooks. If seeking to use an alternative to a College-adopted textbook for a District-Taught course, District agrees to receive written approval of alternative text choice from College Academic Chair before the semester start date, such approval cannot be guaranteed, but shall not be unreasonably withheld.
 - v. For courses using Inclusive Access texts and receiving College Academic Chair approval of an alternative text choice as outlined in §IV(10)(iv) of this agreement, District agrees to notify College Academic Chair and College's Office of Student Accounts each semester of District's intent to opt out of the Inclusive Access text no later than six (6) weeks before the semester's start date. Failure to opt out by such date shall cause College to assess any Inclusive Access charges it incurs to District, regardless of text use by District.

- vi. Ensure that the course learning objectives and student learning outcomes are consistent with those defined by the College Academic Chair of the department in which the course resides.
- vii. Provide the College Academic Chair with, upon request, student papers, tests and/or learning outcomes measures from the instructor.
- viii. Ensure students are provided course evaluations in the prescribed manner and that such evaluations are returned to the College Academic Chair.
- ix. Meet the College's deadlines for submitting grades (**within three (3) business days of the close of the College academic semester**), attendance reports, etc. to the College Registrar through established College procedures.

V. Relationship of Parties

1. The Parties agree that participants shall be subject to the student codes of conduct of both the District and the College and shall be subject to discipline and removal under either code of conduct.
2. The College has sole authority to select each course instructor and set capacity minimums and limitations for specified courses.
3. The College, in its sole discretion, reserves the right to discontinue offering credit for any given course(s) or the use of a given District instructor based, in part, on evaluation of the instructor or program and other relevant factors for cause. The College's decisions shall not be arbitrary or unreasonable.
4. Classes shall follow the established College Academic Policies & Procedures that exist for campus-based classes with the College's Academic Calendar applying to the coursework provided under this Agreement.
5. Each Party is independent of the other and shall not be considered an agent, servant or employee of the other Party or the State for any purpose whatsoever, including but not limited to the implication that the College has or may exercise any right of control with regard to the District or its instructors as that term is defined in the FLSA or other legislation relating to labor and employment.
6. Each party will be responsible for the negligence and all claims, damages, actions, injuries arising out of or accruing as a result of the actions or conduct of the party, its employees, agents, or students in the performance of this Agreement.

VI. Miscellaneous

1. This Agreement is not assignable in whole or in part and that the Agreement shall not be altered unless all Parties agree in writing; that all obligations existing under the Agreement on the date of termination shall survive such termination; and that the Agreement shall be enforced in accordance with the laws of the State of Ohio.
2. The Parties recognize that legislative changes during the term of this Agreement may impact this Agreement. If amendment to this Agreement becomes necessary for compliance with Program regulations, the Parties agree to work together in good faith to amend the Agreement for compliance.
3. This Agreement, including Exhibits and Addenda, constitute the entire Agreement, superseding all previous written or oral communications. Any amendment hereof must be in writing and executed by authorized representatives.

4. Parties agree that any person acting on behalf of the party will not discriminate by reason of race, creed, color, religion, sex, age or disability as defined in ORC §4112.01, national origin, or ancestry against any citizen of this state in the employment of any person qualified and available to perform the work under this Agreement.
5. During performance of this Agreement and for a period of three (3) years after its completion, the Parties shall maintain all records that are suitable for audit and make such records available as the Parties may require.
6. The Parties acknowledge and agree that they are subject to ORC §149.43, the Ohio Public Records Act. Any record kept by the Parties that is deemed a public record is subject to release if a proper request is made. The Parties acknowledge and agree that they may generate or be in possession of confidential education records regarding students, protected by federal laws including but not limited to the Family Education and Privacy Rights Act (“FERPA”) 20 U.S.C.A. §1232g, as amended and agree to protect personally identifiable information and disclose such records only as permitted by applicable laws.
7. The Parties acknowledge that any trade name, service mark, trademark, or symbol or image registered by the Party shall remain the sole and exclusive property of that Party throughout the Program and thereafter. The Parties each hereby grant and agree to permit the other Party a limited right and license to use the name(s), logo(s), mark(s), image(s) or symbol(s) during the term of this program in connection with the promotion of the program or this Agreement. Neither party shall not adopt, register, assign, sell, distribute, lease or sublicense the right to use, in whole or in part, the logo(s), name(s), marks or any designation of the other party. Use of the College’s logo must follow the College’s brand standards¹ and any draft of the usage must be submitted to the College’s marketing department for approval before use.

This Agreement is executed upon signature on behalf of the Parties:

Memorandum of Understanding
Northwest Ohio Educational Service Center Participating School Districts
and
Northwest State Community College
2023-2024 Academic Year (Summer 2023- Spring 2024)

This Memorandum of Understanding outlines the College Credit Plus (CCP) program at Northwest State Community College (College) and participating school districts located in the Northwest Ohio Educational Service Center region (Participating District).

General Program Information

College Credit Plus program provides an opportunity for academically qualified 7th – 12th grade secondary students to earn college credit while in high school. There are two fundamental conditions: 1) the student must be enrolled in both high school and college, and 2) the student earns transcribed college and high school credit for the course.

Northwest State Community College would maintain control of the curriculum as related to the credit hour assignment and course learning outcomes. Students must meet academic requirements, including scoring on placement tests or other assessments at the college- ready level for a given course. Identified college assessments and college grading scales must be utilized for courses.

Model Course Pathways:

Participating Districts shall consult with the College and develop two model course pathways. The first pathway models a fifteen (15) credit hour course option, and the second pathway models a thirty (30) credit hour course option. The pathways are designed to demonstrate the application of the CCP program, and in no way are intended by the Parties to limit course availability or options for students. Each participating district shall publish the pathways as part of the school district's course offerings.

Course Content:

The College shall be responsible for ensuring that all CCP courses comply with the requirements of the law, specifically Chapter 3365 of the Ohio Revised Code and any corresponding regulations. The College maintains control of the curriculum as related to the credit hour assignment and course learning outcomes. Courses selected for the program would meet requirements for the College's degree/certificate programs; they will be nonsectarian, and non-remedial. General education courses are approved by the Ohio Department of Higher Education for transfer to baccalaureate institutions or other community colleges across the state. Some technical courses will carry transfer guarantees in the state. The agreement allows students to make progress towards future degrees in higher education prior to high school graduation.

Faculty:

The College shall be responsible for assigning all instructors to teach CCP classes. The instructors shall be appropriately credentialed to instruct in college level courses and meet all academic credential requirements of the Ohio Department of Higher Education and the Higher

Learning Commission. The College shall be responsible for paying all instructors employed by the College.

Qualified High School teachers, who are teaching a NSCC course at the high school, will be a NSCC adjunct faculty member; however, they are considered to be an employee of the High School. Faculty credentials will also be maintained at the College.

Location and Schedule of CCP Courses:

The College will work with each Participating District to determine whether it is appropriate to offer each CCP course at the College campus, onsite at the participating school district's facilities, online, or at another facility.

The College and each Participating District will work to develop a schedule for when classes will be offered to students. The College shall to the best of its ability offer classes in such a way that would enable students to fully participate in the CCP program and in other curricular and extracurricular activities offered by the participating school district.

Northwest State Community College Responsibilities

1. Provide Participating Districts with current standards for admission and for course placement in a written or electronic format that can be distributed to the student body by (i.e. January 1st) of each school year for the upcoming school year.
2. Work in conjunction with each Participating District to provide counseling services to prospective students.
3. Determine the class size needed to offer the course at any location.
4. Coordinate informational programs with Participating District. A representative from the College will attend at least one program per school year with Participating District staff to present prospective students and parents with information about the CCP program.
5. Provide a professional development opportunity each year for all high school teachers who serve as a college adjunct for a CCP course.
6. Conduct observation for each college course taught in a Participating District's facilities when the course is taught by a high school teacher as required by rule. The College will provide at least 24 hour notice in advance of the observation.
7. Assign an advisor to each student who takes CCP courses through the college. Ensure that the advisor meets with his/her assigned students before the semester withdrawal date. Each Participating District will work cooperatively with the college to facilitate the coordination of these meetings.
8. Provide written notification to the Participating District prior to the start of the term confirming the student's admission to college and the specified courses he/she will take.

9. Promptly release any student data to a Participating District which is required to be reported to the Ohio Department of Education, or which is necessary for the Participating District to accurately record the student's enrollment in a CCP program and the student's grades for CCP courses. Provide accurate reporting of participation with each school district in the Ohio Department of Education's (ODE's) system for financial reporting including, but not limited to completing the necessary documentation in ODE's ODDEX system for proper billing.
10. Provide access to students to the myNSCC, NSCC library, and other student services. Final grades will be available electronically through myNSCC.
11. Provide the faculty with a NSCC ID and email account.
12. Maintain regular communication between the high school teacher and NSCC faculty or liaisons.
13. Provide a list of required textbooks and course materials for students participating in the program.
14. Transcript the final course grade for each student registered in the course. Student grades will be distributed electronically to students.

School District Responsibilities

1. Adopt a policy to award class grades and calculate class rank for students who participate in the CCP program.
2. Work with a College representative to develop at least one program per school year to present prospective students and parents with information about the CCP program. The Participating District shall be responsible for locating an appropriate facility to host each program, which shall be in a place easily accessible by district residents.
3. Distribute information about CCP to interested students in grades six through twelve (6-12) before February 1st.
4. Ensure for each student who has submitted the electronic CCP application, that the signed consent form and high school transcript, including SSID number, are submitted to the NSCC admission office prior to the application deadline.
5. Provide written notification within ten (10) days to the COLLEGE in the event a high school principal approves a student's participation in CCP after April 1st.
6. Provide written notification within five (5) days if a participating student is suspended or expelled from school. If the student is expelled, the notice will indicate the date the expulsion is scheduled to expire.
7. Track and report all student data required by the Ohio Department of Education through EMIS or any other designated reporting system

8. Make decisions about whether to seek reimbursement from a student who received a failing grade in a college course through CCP, subject to all legal restrictions and requirements.
9. High School Teachers will submit an employment application and official transcripts to the college.
10. Ensure that approved faculty utilizes college syllabi, assessments and texts in each course. Ensure faculty utilizes the NSCC grading scale and completes mandated course assessments.
11. Allow College personnel access to interview, observe the High School faculty member teaching the class by mutual agreement of the parties.
12. Upon request, provide student papers, tests, and/or learning outcomes measures for college assessment purposes.
13. Meet NSCC deadlines for grade submission and enrollment verification.
14. The school pays for required textbook and course materials. Textbooks will be billed to the high school if students utilize the college bookstore.

Insurance:

The College and each Participating District shall carry standard general and professional liability insurance with coverage of not less than (\$1,000,000) per occurrence and (\$3,000,000) in the aggregate covering any negligent acts or omissions which may give rise to liability for services provided.

Promotion of the CCP Program:

The College and each Participating District shall collaborate to develop promotional materials for students interested in the CCP program.

Neither the College nor Participating Districts may release or publish a communication or document that includes the use of logos, mascots, trademarks or copyrighted material, without first obtaining written approval from the other party. The College and Participating Districts shall promote the CCP program by posting information and documents in a prominent location on each institution's website.

CCP Funding:

Tuition would be charged as defined in ORC 3365.01 and 3365.07:

- Default ceiling amount for a college course delivered on the college campus, at another location operated by the college or online, not to exceed the college tuition rate;
- 50% of the default ceiling amount for college course taught at the high school by college faculty;
- Default floor amount for courses taught at high school by high school teacher.

This Memorandum of Understanding is effective upon signature of both parties. Both parties are to communicate the conditions of this agreement to their respective constituents. The High School and NSCC will review this agreement and the addendum yearly and make adjustments or amendments as deemed appropriate to maintain the integrity for each institution by mutual

agreement of the parties. Either party reserves the right to discontinue this agreement provided written notice is given before the beginning of the next academic year. Changes in state requirements or state funding will supersede this agreement.
