

## Northwest State Community College Summer Camps 2021

### Two Ways to Register:

Online registration and payment available at [northweststate.edu/camps](http://northweststate.edu/camps) **OR** Complete registration form below and mail with check to NSCC. Summer Camps 2021, 22600 State Route 34, Archbold, OH 43502. Please contact Nicole Hand at 419-267-1332 or email [summercamps@northweststate.edu](mailto:summercamps@northweststate.edu) to learn how to apply for a needs based scholarship opportunity.

### Registration Information

Name of Camper: \_\_\_\_\_

Parent/Guardian: \_\_\_\_\_

Address, City, State, Zip: \_\_\_\_\_

Parent/Guardian Email Address: \_\_\_\_\_

Emergency Contact: \_\_\_\_\_ Phone: \_\_\_\_\_

School Attending: \_\_\_\_\_ Grade Completed as of June, 2021: \_\_\_\_\_

Gender:  Male  Female T-Shirt Size (adult sizes) small medium large x-large

Camp(s) Registering For:

#### June Camps

- June 7-8 Babysitting 101 \$85
- June 7-9 Discover STEM 5-6 \* \$145
- June 14-17 Begin Robotics \$85
- June 21-22 Make It \* \$99
- June 15 First Aid 4-6 \$50
- June 22 First Aid 7-8 \$50
- June 21-23 Agriculture is Life - Literally\* \$145
- Jun 28-Jul 1 ROADS on Asteroids 5-8 \$150
- Jun 29-July 1 Agriculture is Life 9 - 12\* \$145

#### July Camps

- July 5-7 Explore STEM 7-8\* \$145
- July 5-8 Adv. Robotics \$85
- July 5-8 Sticks and Stones \$85
- July 12-14 Food Science \$85

### Register and pay online and at: [northweststate.edu/camps](http://northweststate.edu/camps).

**(if registering online you must pay online to complete registration.)**

#### New Camps

- June 21-22 Creative Arts \$50
- June 21-24 LEGO Mission Mars \$85
- June 28 - 29 Creative Arts \$50
- July 12-15 LEGO Mission Mars \$85

#### Adults

- June 21-23 Sumo bots \$70
- June Wednesdays 9,16,23,30 Adult Drawing \$115
- June 28-July 1 How to Succeed in College \$85

\*Boxed Lunch Provided

*\*Makes checks and money orders payable to Northwest State Community College.*

*All Camp costs provide Instructor fees, Sack Lunches, Snacks, Supplies & T-shirts*

Required forms (3 types) available on the website <https://northweststate.edu/camps> please scan, fax or email.  Information  Medical  Liability

All full day camps will include a sack lunch. Please contact Nicole Hand at 419-267-1332 or email [summercamps@northweststate.edu](mailto:summercamps@northweststate.edu) with any questions.

SCIENCE TECHNOLOGY ENGINEERING ARTS MATHEMATICS

# 2021 SUMMER CAMPS

SOMETHING FOR EVERYONE

# JUNE SUMMER CAMPS

## Babysitting 101 - Basics to Being a Babysitter!

Campers will learn the basics of becoming a skilled babysitter, including communicating with families, preparing for a job, advertising, basic safety, age appropriate activities, following schedules, pay rates and so much more! Min: 5 / Max: 12

**Camp Dates:** June 7-8      **Time:** 9:00am-3:00pm

**Cost:** \$85      **Ages:** 12 and up

## Beginning Robotics

In this beginning level robot camp you will learn how to build the basic robot rover, program it to move and then use it to complete missions that are out of this world! Campers will be introduced to the FIRST LEGO League (FLL) program. This camp will give you the basics needed to join a FLL team. Min 6/Max 10

**Camp Dates:** June 14-17      **Time:** 8:30am-11:30pm

**Cost:** \$85      **Grades:** 4th - 6th

## Discovering STEM

STEM Camp is a great way to engage kids of all ages; with hands-on activities that can later become successful careers! Join us for Discovering STEM where we will put your brain to the test with our best hands on activities to introduce you to the world of STEM. STEM is fun, let us show you how! Box lunch provided. Min 6/Max 8

**Camp Dates:** June 7-9      **Time:** 8:30am - 3:00pm

**Cost:** \$145      **Grades:** 5th-6th

## Make It Camp

Make-it camp allows you, the camper, to create things the way you want to create them. In this hands on camp, you will learn how to create fun, useful things while learning the background of the items you are working with! Box lunch provided. Min 6/Max 8

**Camp Dates:** June 21 - June 22      **Time:** 8:30am-3:00pm

**Cost:** \$99      **Grades:** 4th-7th

## Safety and First Aid Camp

Learn about safety, infection prevention and first aid as taught by the NSCC Nursing staff. Create a first aid kit that you can take home. If you have ever been interested in nursing, here is your chance to learn about this exciting career! Min 6/Max 10

**Camp Dates:** June 15      **Time:** 8:30am-12:30pm      **Grade:** 4 - 6

June 22      **Time:** 8:30am-12:30pm      **Grade:** 7-8

**Cost:** \$50

## Agriculture is Life - Literally

Study agricultural resources like water and soil as you collect samples of the creatures who live there and are signs of the good health of the resources. Then explore careers in Ag by seeing how milk goes from udder to bottle with Arps Dairy (7-8 grade) or learn about livestock food production by touring Cooper Farms facilities in person and virtually (9-12 grade). Finally, use your detective skills to identify the creatures who pollinate the plants that provide our food. Transportation included. Box lunch provided. Min: 6 / Max: 12

**Camp Dates:** June 21 - June 23      **Time:** 9:00am-3:30pm      **Grade:** 7-8  
June 29 - July 1      **Time:** 9:00am-3:30pm      **Grade:** 9-12

**Cost:** \$145

## Robots and Drones on Asteroids

Participate in the 2020 - 2021 ROADS (Rover Observation And Drone Survey) challenge on asteroids. Learn about asteroids, build and program a robot to traverse an asteroid and learn to fly a drone through the asteroid belt. Various checkpoint challenges will be submitted for awards. Pre-requisite: Beginning Robotics or 1 year on an FLL team. Min: 6 / Max: 8

**Camp Dates:** June 28 - July 1      **Time:** 8:30 am - 3:00 pm

**Cost:** \$150      **Grades:** 5-8 only

# JULY SUMMER CAMPS

## Exploring STEM

Join us for Exploring STEM as we dive deeper into the world of Science, Technology, Engineering and Math! There is always more to learn in these ever-changing fields. Come ready to use your hands, exercise your brain and have a whole lot of fun. No matter your interest, you will love to dig deeper into STEM. Box lunch provided. Min: 6 / Max: 8

**Camp Dates:** July 5 - July 7      **Time:** 8:30 am - 3:00 pm

**Cost:** \$145      **Grades:** 7 - 8

## Advanced Robots

Robots are used every day in every industry. In this advanced robotics camp we will look at the different ways that robots are used and then build a robotic arm similar to those that are used in industry and learn to program it using sensors and controls. Pre-requisite: Beginning Robots or 1 year on a FLL team. Min: 6 / Max: 10

**Camp Dates:** July 5 - July 8      **Time:** 8:30am-11:30am

**Cost:** \$85      **Grades:** 5-8 only

## Sticks and Stones and Bones

You know the song "Bones, and Bones and Dem Bones" well, we will learn about dem bones, break dem bones and fix dem bones. We will talk with experts in the fields of biomedical engineering, biology and medicine as we learn about dem bones! Min: 6 / Max: 12

**Camp Dates:** July 5 - July 8      **Time:** 12:30pm-3:30pm

**Cost:** \$85      **Grades:** 6-8

## The Science of Food

Campers will learn how food is grown in a local greenhouse and how to put together nutritious snacks with cucumbers, tomatoes and peppers. They will learn the chemistry behind making an edible water bottle and yummy pretzels. Finally they will learn how lemonade and the Fibonacci sequence go together to make a refreshing cooler! Min: 6 / Max: 8

**Camp Dates:** July 12 - July 14      **Time:** 12:30pm-3:30pm

**Cost:** \$85      **Grades:** 5-7

# NEW THIS YEAR!

## Camps for Rising 1-3 graders

### Creative Arts

Campers will enjoy a variety of creative art experiences including visual arts, music, and movement. Expect make-it, take-it activities that children will create and learn at camp and then bring the information home to do with families. Learning for all! Min 6/Max 10

**Camp Dates:** June 21 - 22 **OR** June 28 - 29      **Time:** 9:00am-noon      **Cost:** \$50

### LEGO Mission to Mars

There is a new rover on Mars - Perseverance! It will study the surface for signs of ancient life. So what do we know about the planet? What would we need to survive on Mars - food, water, air? We will learn some things about Mars while exploring Earth, then we will design and build a Martian base, all with LEGOs. Same content in both camps. Min 6/Max:10

**Camp Dates:** June 21 - 24 **OR** July 12 - 15      **Time:** 8:30am-11:30am

**Cost:** \$85

## Adult Summer Camp Fun

### Adult Drawing Camp

Students will learn the foundations of drawings through observations of the world around them. The class will explore graphite and charcoal. All skill levels welcome! Includes drawing supplies. Min 6/Max 8

**Camp Dates:** Wednesday June 9, 16, 23, 30      **Time:** 5:00pm-8:00pm

**Cost:** \$115

### Sumo bots

Welcome to the world of robot sumo wrestling. You've seen battlebots on TV, but these little robots pack a mighty push! Learn to build a miniature sumo robot, program it and then compete. Guaranteed fun for everyone! High School and adult. Min 6/Max 10

**Camp Dates:** June 21-23      **Time:** 5:00pm-8:00pm      **Cost:** \$70

### How to succeed in college

Want to get a head start on college success? Join us for How to Succeed in College and learn how to read for speed and comprehension; space, pace, interleave, and retrieve information; relax and refocus anywhere; set goals, boundaries, and supports; and work your network. High school through college. Min 6/Max 12

**Camp Dates:** June 28 - July 1      **Time:** 5:00pm-8:00pm      **Cost:** \$85
