### Academic Choices

No matter what your career interest, NSCC has a variety of degree programs to choose from in the divisions of Allied Health, Business Technologies & Public Services; Arts & Sciences; Industrial Technologies; Math, Science & Engineering Technologies and Nursing.

### Small Classes with Faculty Who Care

The faculty at NSCC has real-world experience and truly care about your success both in the classroom and in your future career. With an average class size of 20 students, you will receive one-on-one attention from instructors who know you by name.

### Endless Possibilities

Your education does not have to end with Northwest State. Through partnerships with other colleges and universities, you have the opportunity to begin your education at NSCC and seamlessly transfer into a bachelor's degree program. Bluffton and Miami Universities even offer programs that allow you to earn your bachelor's degree without ever leaving campus.

### Get Involved

There are many opportunities for you to get involved at Northwest State. Student groups at the College include the Student Body Organization, Students for Community Outreach and Awareness, evMotorsports and many more.

A portion of these scholarships is funded by the NSCC Foundation.
