Focusing on academics

At the virtual Discover NSCC Day, our academic divisions will provide an overview of their programs, what you will learn, and what transfer and career pathways exist. Stick around after the presentations for an informative Q&A session, and make sure you get your questions answered!

Get there from here!

Are you seeking a bachelor's degree, but don't know where to start? Let NSCC help! Our "Bachelor's Bound" pathway can help you save **thousands** on tuition, and transfer your credits to the four-year school of your choice.

FREE Money!

Who doesn't want free money? Our financial aid representatives will discuss completing your 2021-22 FAFSA, and the numerous scholarship opportunities available. You can also enter to WIN one of two \$500 Scholarships!

Get FREE Swag!
