ACCEPTANCE OF GUIDELINES FOR PUBLIC PARTICIPATION

The Board and Administration values public comments and participation; however, to ensure meetings are conducted efficiently and in an orderly manner, individuals appearing before the Board are expected to follow these guidelines:

- In person public comments will be timed and limited to four (4) minutes. If speaking as part of a group who shares the same interest, please consider selecting a spokesperson.
- If you wish to distribute documents to the Board, provide them to the Board Secretary or Committee Administrator with this form. Submission of the documents will be noted in the minutes.
- Comments are to be shared from the podium and directed to the entire Board, not one individual Board member, Administration, staff member, or the audience.
- Speakers are expected to observe proper decorum.
- Parents may share their own child's name, but are asked not to mention other children by name.

I have read the above guidelines and agree to adhere to them when making public comments.
