

Byron-Bergen Central School District Capital Project Update

APRIL 2023

We are excited to have boots on the ground and kick off our District Capital Project. Here are the highlights of what is to come over the next 18 months. Please call or email Superintendent Pat McGee if you have any questions or feedback.

Elementary School

Summer 2023

- Boiler Room Renovation
- New Domestic Hot Water System
- New Boiler System

Bus Garage

Spring 2023

- Excavate the bus parking area
- Replace parking area with concrete
- Update all exterior security cameras

Jr./Sr. High School

Summer/Fall 2023

Windows and Roof Replacement

- Jr. High Wing - Full Roof Replacement
- All Jr./Sr. HS - Full Window Replacement*

Spring/Summer 2023

HVAC/Plumbing

- Full Jr./Sr. High School

There will be minimal impact on student learning.

*Windows on the south side of Jr./Sr. High School were replaced in the 2008 Capital Project. This additional work will replace all remaining Jr./Sr. HS windows.

Athletic Fields

Spring/Summer 2023

Soccer Stadium

- New Irrigation System
- New Lighting
- All New Play Surface
- New Scoreboard
- Updated Security Cameras

Summer 2023

Track and Field

- Resurfaced Track
- New Scoreboard
- New Field Event Areas
- Varsity Baseball & Softball
- New Scoreboards

Natatorium (Pool)

Summer/Fall/Winter 2023/2024

- Replacement of Pool Gutter/Filter Room
- All new tiling and painting

* The pool will not be available for use until Spring 2024. Our swim team will be swimming at Churchville-Chili CSD.

Phase 2: Begins April 2024

Jr./Sr High School Gymnasium

- New State of the Art High School Gym
- New Locker Rooms
- New Team Room
- New Scoreboard
- New Sound System
