SUPERINTENDENT'S REPORT

Mr. Gregory updated board on activities for Opening Week of school. Seniors really stepped up with painting their parking spots, this has grown from initially 46 spots to 106 this year. Monies help support Student Council activities.

TRC and St Charles Hospital contributed backpacks and supplies to our district again this year.

Online ticketing sales are going well thanks to the help of Valerie Hinjosa and Emily Sibbersen. District enrollment is currently at 3342 slightly up from last year but we will see where we end up once we actually start.

Covid Update: There will be an update for County Superintendents the following day which may adjust our current procedures on whether masks will be mandatory or optional. Final decision for start of school will be made before we begin having students in the buildings. This will be a fluid situation again this year with our priority being keeping all kids in school.

OLD BUSINESS

Mr. Ziviski thanked Superintendent Gregory for being so responsive when he has questions, he also praised Terry and Josh our Bus Supervisors for replying so quickly to questions.
