BOARD WORK SESSION

OSBA Conference in Columbus, Ohio November, 2021.
Mrs. Molnar and Mr. Csehi took a bit of time to encourage newly appointed board members to consider finding time to attend the conference. Great opportunity to learn from experience of other districts and a variety of experts in multiple disciplines.

ESSER FUNDS SPENDING PLAN

Mr. Gregory led a discussion of the multiple Federal Grants we have received, primarily due to COVID relief funding. Majority of time was spent on ESSERIII funding of about 3.9 million dollars. A draft application was reviewed with Board of Education but there are many decisions to be made along the way on how these funds will be utilized.

FAIR FUNDING FORMULA REVIEW

Mrs. Fruth provided information about some of the changes now in effect with the school funding as of July 1, 2021. The budget was approved but the actual formula was NOT made into law. We will not really know full impact until October as the Ohio Department of Education works through the details of new formula.
