**PUBLIC PARTICIPATION AT BOARD MEETINGS**

Gary Ackerman, 8560 Brown Road, Oregon, Oh., requested that Board of Education take the time to review the articles he emailed to all Board Members regarding the use of masks. If these studies are accurate we are not doing justice to our students by requiring masks.

He also asked if any Federal or State funds were contingent on the wearing of masks. Board responded NO.

Aric Bench, 353 S Decant, Curtice, Oh., restated his previous disagreement with current OCS mask mandate. He questioned what efforts were being put into increasing indoor air quality, are we changing air filters, air purifying systems? Do we meet the CDC heating and cooling engineer air quality recommendations? He ended by reiterating that wearing of masks should be a choice.
