**SUPERINTENDENT'S REPORT**

Mr. Gregory welcomed our new board member Dan Saevig. He proceeded to explain the start of the school year. Elementary students and their family will have a conference to get to know their teacher within the first week of school. Middle schools and high school will have a slower start allowing orientation for our students into their new environments.

Wetland project discussed last year is a go. Jerusalem Township got the grant. There will be pickleball courts drawn in on the Fassett Tennis Courts in conjunction with Oregon Rec Department.

Finally Mr. Gregory discussed his current COVID protocol plans for opening school next year. At this time, unless state or federal mandates are put in place, only place masks will be required will be on school busses. This is a federal mandate so we must follow. Students and staff will not be required to have masks on in school buildings. Again, this may change if mandates get handed down from state or federal government.
