

## Tuesdays with Dr. Paul and the TAP tuition scholarship for employees of UMO Partners from the University of Mount Olive

I hope all is well! I want to share something I've learned in the past few weeks while working from home—it might be helpful and convenient for your staff as well!

As all of us navigate this new normal during COVID-19, we are finding ourselves relying more and more on technology. Many of our conversations and meetings are dependent upon applications like Zoom. With that said I began an open conference call/Zoom session for partnership employees who are thinking about continuing their education and are interested in what the University is doing with the Trojan Alliance Partnership (TAP). TAP allows employees of our partnering organizations to receive a tuition scholarship.

Every Tuesday at noon, 3PM, and 7PM; I'll have a Conference Call-using phones and Zoom simultaneously-for questions. Callers can drop in for a few questions or whatever length of time they want—when they want. Each session will go for an hour and a half. These virtual sessions can be reached by phone, smart phone, or computer so anyone can join with questions. From time to time experts from financial aid, advising, or academic areas (Business, Nursing, Education, Agriculture and more) will join us.

To keep life moving forward, I invite you to an info session Q & A call via Phone or Zoom to learn about the TAP tuition scholarship and UMO. Info is in the box below.
