<p>Northwest Ohio ESC offers a wide array of professional development and training opportunities to member district schools, the majority free of charge. This includes CPI (Crisis Prevention Intervention) initial and refresher trainings and trainings to support member districts with the implementation of PAX, PBIS, and Trauma Informed Classroom practices. Networking opportunities are provided to various groups including superintendents, treasurers, principals, guidance counselors, and technology leaders. Other core services and supports include Business Advisory Council coordination, substitute recruitment and listing, bus driver training and certification, home schooling processing support, and parent mentor services.</p>					
<p>Additional Services are available upon district request. Please contact Kerri Weir at 567-444-4795 for further discussion on how NwoESC can be of assistance.</p>					
<p>Programs/Services offered are based on a cost reimbursement rate - average personnel costs based on training and experience by program including fringe benefits; program supervision personnel costs including fringe benefits; contracted services; instructional materials supplies, equipment; related program costs; and a 4.5 percent administrative fee. A higher administrative fee would be determined/implemented for non-member districts/agencies.</p>
