

NWOESC OASBO Update

August 5, 2022

Strategic Plan - Goals

Advocacy

Be the respected authority on laws and legislation impacting public school finance and operations, and, speaking with a united voice, ensure members are empowered to influence and educate on these issues.

Diversity

Be recognized as an organization that embraces and empowers an engaged membership in diversity, equity, and inclusion.

Learning /Professional Development

Be the essential learning platform for the development and delivery of relevant content for SBOs.

Membership

Be the essential organization for the development and recruitment of SBOs

***The power of the
education community!***

Advocacy

“Behind the test scores are the hearts and souls of children.”

Tuscarawas Valley Local School District

Representative Hillyer visited several classrooms, asked students questions about their learning, shared observations, listened to concerns and ideas, and requested follow up meetings for continued discussion.
