OASBO Update

James Rowan CAE, SFO, Executive Director

August 6, 2021

Strategic Plan - Goals

- **Advocacy**

Be the respected authority on laws and legislation impacting public school finance and operations, and, speaking with a united voice, ensure members are empowered to influence and educate on these issues.

- **Diversity**

Be recognized as an organization that embraces and empowers an engaged membership in diversity, equity, and inclusion.

- **Learning /Professional Development**

Be the essential learning platform for the development and delivery of relevant content for SBOs.

- **Membership**

Be the essential organization for the development and recruitment of SBOs.
