Northwest Ohio ESC offers a wide array of professional development and training opportunities to member district schools, the majority free of charge. This includes CPI (Crisis Prevention Intervention) initial and refresher trainings and annual bus/van driver training. Networking opportunities are provided to various groups including superintendents, treasurers, principals, guidance counselors, and technology leaders. See Core Services document for a full listing.				
Additional Services are available upon district request. Please contact Kerri Weir at 567-444-4795 for further discussion on how NwOESC can be of assistance.				
Programs/Services offered are based on a cost reimbursement rate - average personnel costs based on training and experience by program including fringe benefits; program supervision personnel costs including fringe benefits; contracted services; instructional materials supplies, equipment; related program costs; and a 4.5 percent administrative fee. A higher administrative fee would be determined/implemented for non-member districts/agencies.
