

Northwest Ohio Opportunity School 2022-23 School Year

Location: Northwest Ohio Opportunity School
Independence Education Center (IEC) Campus
6950 Independence Road, Defiance, OH 43512

School Day: 8:10 a.m. to 2:30 p.m.

Mission: The mission of the Northwest Ohio Opportunity School is to provide an alternative, but challenging environment for at-risk students. The Northwest Ohio Opportunity School serves both long- and short-term students. **Long-term students** can earn credits through online learning combined with textbook curriculum and face-to-face support so that they may rejoin their class to graduate on time, attend vocational school or CBI, or complete their graduation requirements. The *typical* long-term student is in grades 9 through 12. **Short-term students** attend to remain in school and get credit for their school work while serving suspension time from 1-10 days. The *typical* short-term student is in grades 6 through 12.

Calendar: Our school follows the Independence Education Center (IEC) calendar. The Opportunity School follows the IEC for delays and/or closures.

Transportation: Student transportation is coordinated by the home school and the parent/guardian. The Opportunity School **does not** provide transportation. Students may ride the bus to Four County Career Center then ride to the Opportunity School with another district who has students attending, but this *must* be coordinated by the home school. There is a shuttle provided from the IEC/Opportunity School back to Four County Career Center in the afternoon. **Students are not permitted to drive to the Opportunity School/IEC campus.**

Opportunity School Handbook: Our handbook, which includes the required forms needed to get both short- and long-term students enrolled, is posted on the NWOESC's website at: www.nwoesc.org. Find it by clicking on:
