About the show:

Ho Ho Ho! Here's a fast, lighthearted Christmas play. We join the host for a special live edition of "The Santa Claus Chronicles" at the North Pole just a few days before Christmas. We start with a press conference where Saint Nick's press secretary answers reporters' questions about the jolly guy. We also meet the elves, Eeny, Meeny, Miney, and Sol, who take care of the reindeer, and we hear from the elves who work the gift suggestion hotline. But the biggest mystery at the North Pole is where Mrs. Claus has disappeared to. Just what is she up to? Find out in a surprising ending that will leave a smile on everyone's face.
