

Kenny Kosch Memorial Scholarship

This scholarship is in memory of Kenny Kosch who retired from Liberty Union-Thurston School District after 26 years of service. He loved working at the school because he loved being around the students and making the school a better place for them. He had a passion for students who wanted to further their education via a Trade/Technical school. He felt a personal connection to these students because he himself could relate to not going to college and still wanting to provide for his family. He had respect and appreciation for the many individuals he worked with that were skilled tradesmen.

Students must be a graduating senior from Liberty Union High School who are seeking a two-year degree from a two-year school or certification from a trade/technical school.
