

Bexley City School District

To provide educational experiences that engage, equip and empower each student.

April 12, 2021

Dear Bexley Preschool Director:

Kindergarten Registration for Fall 2021 has begun! We would appreciate your help in communicating the district's enrollment expectations to parents/guardians of eligible children in your preschool.

Bexley offers all-day kindergarten for children who will turn five years old by **August 1, 2021**.

Parents should begin the kindergarten registration process by completing the online questionnaire located on our main website at www.bexleyschools.org and selecting the Student Registration link that will be located on the top of the page. Then:

- Select the **Register a student for the 2021-22 school year** link
- Create an account if you do not already have one
- Add your student
- Upload required documents (*see below)

Kindergarten Orientation will be offered via Zoom on Thursday, April 22, 2021, 6:30-7:30pm. Please visit the district website for the link. There will be separate links available, one for each elementary school.

*REQUIRED ENROLLMENT DOCUMENTS

- Child's original birth certificate or other evidence of birth;
- Certified copy of any child custody order or decree;
- Written evidence of required immunizations (or written evidence to indicate in process of receiving immunizations to be completed no later than the first day of school);
- Completed rental, lease, or proof of ownership, including contact information for verification (i.e., tax bill, mortgage payment or county auditor property information); all rental agreements must include parent/guardian;
- Utility receipt or utility deposit receipt;
- Driver's license or state issued ID reflecting Bexley address. (If an ID does not reflect a current Bexley address, a Voter Registration form must be completed when you present your enrollment documents).

Thank you for assisting in communication these enrollment expectations!

Sincerely,

Harley Williams, Ed.D.
Director of Operations
