To provide educational experiences that engage, equip and empower each student.

December 30, 2020

In accordance with Ohio Revised Code 121.22, House Bill 197 and House Bill 404, you are hereby notified that the Board of Education of the Bexley City School District will conduct its organizational board meeting on Tuesday, January 5, 2021 at 6:00 p.m. In addition, its regular board meeting for January will follow this meeting at 6:30 p.m. However, both meetings will be conducted electronically, according to House Bill 197 and House Bill 404. Both meetings will have separate zoom links.

To access these meetings, links to the live meetings will be published on the Board of Education web-page, next to the board meeting date. The links will be posted as soon as it is finalized. It is expected to be done by Tuesday afternoon, if not sooner. The Board of Education web-page can be found here:

Public participation will be conducted during the regular meeting where individuals will be invited to speak during the live zoom webinar. Because public participation time is limited and the nature of webinars make it difficult to distinguish who is signing up to speak in any order, please email publiccomment@bexley.us with your intention to speak. You must provide your full name, address, and limit your comment to five minutes, or about 1,000 words. Emailed comments will not be read or posted. We will call on you to speak in the order of the email received and by using the "raise hand" feature.
