Earn Graduate Credits in 3 Easy Steps!

Educators can receive contact hours for their licensure renewal from attending nearly all Summit ESC and SST8 professional development (PD) and collaborative offerings. But did you know, you also have the option to obtain graduate credits through Ashland University?

Follow These Easy Steps to Register:

Registration: Ashland University by May 1, 2024

Enter the URL listed under each credit option for the amount of credit you would like to register for this school year.

1 Credit—Course Number EDU 6240 U1—\$190

<https://tinyurl.com/AU1cred23-24>

2 Credits—Course Number EDU 6240 V1—\$345

<https://tinyurl.com/AU2credit23-24>

3 Credits—Course Number EDU 6240 A2—\$500

<https://tinyurl.com/AU3credit23-24>

Earn Graduate Credits in 3 Easy Steps!

Educators can receive contact hours for their licensure renewal from attending nearly all Summit ESC and SST8 professional development (PD) offerings. But did you know, you also have the option to obtain graduate credits through Ashland University?

Follow These Steps to Take Advantage of This Option:

1. Calculate any offerings you've successfully completed or network hours you've participated in between August 1st 2023 – May 31st 2024

15 Hours with SESC/SST8 = 1 Credit = \$190.00

30 Hours with SESC/SST8 = 2 Credits = \$345.00

45 Hours with SESC/SST8 = 3 Credit Hours = \$500.00

2. Register with Ashland University by May 1st, 2024. Follow the steps/links for registration on the previous page. Direct any questions to Corey Hoynacke, Summit ESC Curriculum Director / Adjunct Professor: coreyh@summitesc.org or Avantika Kishorepuria, Ashland University Administrative Assistant: akishore@ashland.edu

3. Participants submit a reflective essay (2-4 pgs.) explaining how they incorporated what they have learned into their practice and a log of their time. This reflective paper and log will be submitted with the name(s) of the PD and learning networks in which they participated to Corey Hoynacke at coreyh@summitesc.org by May 31st, 2024.
