- Enter IPDP username (email address) and click **Reset Password**.
- An email will be sent to your email with instructions on how to reset your password.
- In that email, **copy the temporary password** and click on the **IPDP Application** link.
- It will take you a page to change the temporary password to a permanent one.

### Forgot Username

If you have forgotten your Username, click on the 'Forgot Username' link on the login page. An email will be sent to the email address provided if a username associated with this email address is found in the system.
