Teacher Spotlight

Getting to Know Mrs. Kowatch, 4th grade Teacher

Q: What has been your favorite part of this school year?

My favorite part of this school was actually getting to teach my students face to face. At this time, I miss seeing and talking to my kiddos every day. I loved greeting them with a handshake or hug and seeing them get excited about Social Studies.

Q: If you could have any super power, what would it be?

If I had a super power, it would be like the Flash. I would move at super speed and be able to get everything done in one day!

Q: What is your favorite food?

My favorite food is a Dole Whip from Disney World. Chocolate is also very important in my diet!

Q: How do you spend your summer breaks?

I usually work on home projects over the summer. I also read a lot and try to take a family vacation somewhere.

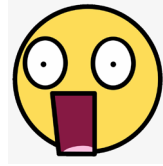

Q: If you could pass on any words of wisdom for your students, what would they be?

All our dreams can come true if we have the courage to pursue them. -Walt Disney
