JOB SEARCH

Job Search Tips for Students

Do you have students looking for summer work experience? Use the filters in Ohio Means Jobs K-12's **Job Search** to find jobs available for those with less than a high school diploma. You can refine by location, job type (full or part time), and occupation type (food service, stock clerk, etc.).

At the www.OhioMeansJobs.com website, students and teachers will now click on green "Get Started" button by the word Individuals. From the next screen, they can then click on the small K-12 cardinal wearing a graduation cap. This new process will help students easily access the K-12 portal and create their Ohio Means Jobs K-12 backpacks. You also will find mobile-friendly versions of pages throughout the site when using your mobile device. To access resources for using Ohio Means Jobs K-12, click here.
