

Parents and families,

Please read the following information about upcoming dates and events at Bath High School for the month of March.

DENTAL AND VISION OUTREACH PROGRAMS

Regular dental and vision check-ups are an important part of overall health. Health Partners of Western Ohio's Dental & Vision Outreach Team will be coming to our school and offering vision and dental services. They bill Medicaid and Private Insurance. The dental visit will be considered a preventive visit through your insurance company. If your student does not have health coverage, there will NOT be a charge. The program is open to all students.

You can sign up for DENTAL ONLY or both DENTAL AND VISION, but you cannot sign up for vision only per their program.
