## JOB SEARCH

### Job Search Tips for Students

Do you have students looking for summer work experience? Use the filters in Ohio Means Jobs K-12's **Job Search** to find jobs available for those with less than a high school diploma. You can refine by location, job type (full or part time), and occupation type (food service, stock clerk, etc.).

At the [www.OhioMeansJobs.com](http://www.OhioMeansJobs.com) website, students and teachers will now click on green "Get Started" button by the word Individuals. From the next screen, they can then click on the small K-12 cardinal wearing a graduation cap. This new process will help students easily access the K-12 portal and create their Ohio Means Jobs K-12 backpacks. You also will find mobile-friendly versions of pages throughout the site when using your mobile device. To access resources for using Ohio Means Jobs K-12, [click here](#).
