

2024 Sports Physicals Provided by Mercy Health

Physicals:

We, at Mercy Health, recognize the importance of having sports physicals completed by your child's primary care provider. However, we know there can be extenuating circumstances. We want to ensure your student-athlete is able to be seen conveniently to have their sports physicals completed.

These sports physicals will be offered in 3 convenient locations to any student-athlete that will be between 7th and 12th grade in the 2024-2025 academic year. Please have your child bring a completed and signed OHSAA Physical Form for the academic year 2024-2025. The physical forms are easily accessible via the QR code to the right. No appointment necessary. Services are provided at no costs to you.
