CANCELLATION DAYS

Thursday, February 6, was our fifth cancellation day of this school year. Any future cancellations will result in remote learning days with students working from home. All assignments on these days will be posted in Schoology by 10:30 a.m. Students will be expected to access and submit their assignments in each course prior to the beginning of the next school day.

SCHEDULING

High school counselors are meeting with students next week to discuss scheduling for the 2025-2026 school year. Course selection forms with parent signatures are due on Friday, February 21. School counselors will meet with students to input schedules the week of March 3-7.

Student registration in a course requires a commitment to that course; therefore, following registration deadlines, course changes will only be considered for the following reasons:

- 1) Lack of a required course needed for graduation
- 2) Failure to meet the prerequisites for a course
- 3) Procedural errors in the registration process
- 4) Completion of a summer course for credit recovery or CCP credit
- 5) CCP equivalent courses
