### **PREVIEW DAY FOR 8th GRADE**

On February 6th, our 8th graders will be visiting the high school for Preview Day, led by the Guidance Department and our Positive Peer Advocates. During the tour, students will explore the building, visit classrooms (including elective spaces), and learn about high school clubs, activities, and ways to get involved. This experience is designed to help students feel comfortable, excited, and confident as they prepare for the transition to high school.

### **SCHEDULING**

High school counselors will meet with students the week of **February 9-13** to discuss scheduling for the 2026-2027 school year.

Students will input their schedules on **March 2 (Class of 2029), March 3 (Class of 2028), and March 4 (Class of 2027).**

**Student registration in a course requires a commitment to that course;** therefore, following registration deadlines, course changes will only be considered for the following reasons:

- 1) Lack of a required course needed for graduation
- 2) Failure to meet the prerequisites for a course
- 3) Procedural errors in the registration process
