Madison Local Schools

Safety Town

Our program has been developed to assist children in learning about various safety practices to use throughout their daily lives .

Welcome to Madison Local Schools Safety Town! While not mandatory our program is an excellent opportunity for children entering Kindergarten to participate in classroom safety activities and learn from multiple local safety experts about various safety precautions.

Our program is held the first two full weeks of June (Monday through Friday) with two session times available. We offer a morning session (9:00 a.m. to 11:30 a.m.) and an afternoon session (1:00 p.m. to 3:30 p.m.) with up to 15 children per class (two classes) and two trained teachers per class. Applications are available starting mid-April for the current year program. For specific questions please call Natasha Repp, Principal, at Madison Early Childhood Learning Center (419-589-7851) or Jen Eckenwiler, Preschool Coordinator at Madison South Preschool (419-522-4319).
