Dear Parents and Students,

Even though over 90% of our students are able to attend school each day, we continue to struggle with the ability to cover classroom instruction due to positive cases and quarantining with staff. The latest numbers received from the Williams and Defiance County Health Department continue to escalate with Defiance County at over 1000 cases and Williams County having had 865 cases recorded. I have attached the infographic of our most up-to-date COVID data (which can also be found on our school website).

As a result, we have come to the conclusion that we need to once again initiate online instruction next week, November 23-24, with no face to face instruction on campus. Furthermore, as we return from Thanksgiving Break December 1st, we'll be operating as a district from our **Blended Learning Model**, which will split our K-12 student body into two groups. Each student group will attend face to face instruction two days a week and online instruction three days a week. This greatly reduces the amount of student quarantines when a positive case arises on campus, due to our ability to more effectively social distance students. I have attached the calendar which defines the Hybrid Plan. We also plan to have special needs and at-risk students attend two days per week with one home-bound online day on Wednesday. Students with disabilities will be provided specially designed instruction and/or related services as stated in their Individualized Education Program. Students receiving Title 1, 504, or Response to Intervention services will continue to receive these supports as well.

The ESC Preschool Classroom at Edgerton Schools will continue to provide Tuesday through Friday in-person instruction, with morning and afternoon sessions continuing to implement current operating schedules. Any other Edgerton students attending Four County or additional Special Service Units in Bryan, Archbold, and the IEC unit, will maintain their normal schedules face to face.

We'll operate in this hybrid model from Tuesday, December 1st to December 18th, which is the beginning of the district's Christmas Break. My plan is to start the 2021 new year face to face with all students on campus January 4th, but future decisions regarding online instruction may need to be made as we track COVID-19 cases across Williams and Defiance County.

Student Groups A and B rosters have been placed on the Edgerton School Website for students and families to review.

Excellence...Leadership...Service

Blended Learning Focus Areas

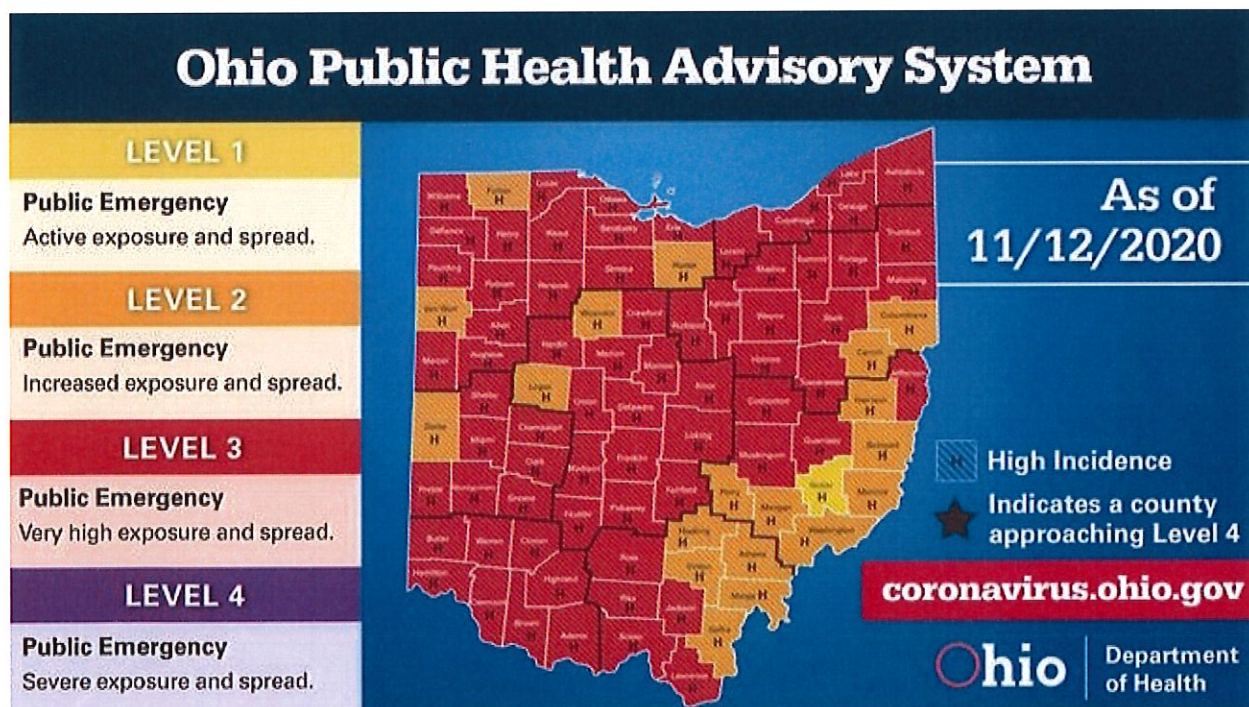

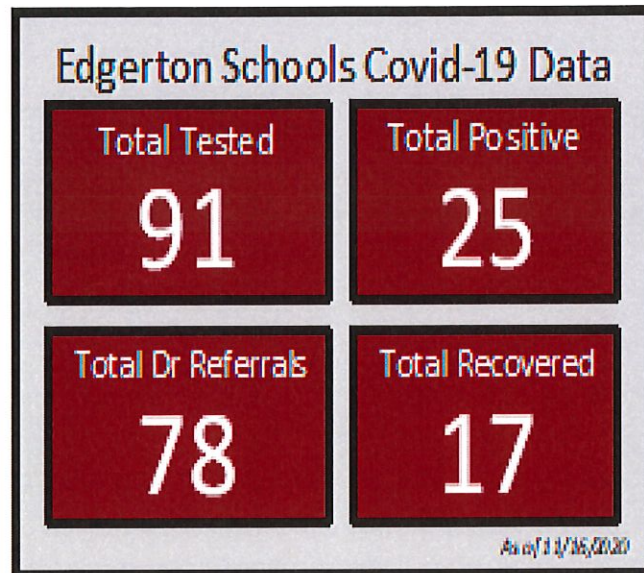

1. District Transportation
 - a. All transportation services will continue as scheduled.
2. Extra-Curricular Activities
 - a. Science Club, FFA, FEA, NHS, Spanish Club (and other clubs not mentioned), will be split up into multiple sessions with no more than 20 students in a classroom space.
 - b. Everyone must be able to socially distance by 6 feet or further. New athletic seasons and club activities will continue, but it will only take a couple of COVID cases to put many activities in jeopardy.
 - c. Winter athletic practices and seasons will continue at this point, unless we receive instruction from Governor DeWine's office or OHSAA telling us otherwise.
3. Instruction
 - a. Each student has been issued a district Chromebook device.
 - b. Instruction will be provided through Google Classroom and your child's teacher will provide additional information needed for transition to blended learning.
4. Student Attendance
 - a. The Blended Learning Model requires students who are currently attending classes in person, to attend two days a week, based on arranged family groups, in order to help accommodate parents' work schedules as best possible.
 - i. Students in Group A will attend Monday and Thursday in person.
 - ii. Students in Group B will attend Tuesday and Friday in person.
 - iii. On the days that students are not scheduled to attend school will be remote learning days.
 - b. Attendance will be documented by the teachers and administration each week through:
 - i. Attendance in web-based participation.
 - ii. Daily Log-in.
 - iii. Attendance will be taken daily by elementary teachers.

Thanks in advance for your willingness to join us in our efforts to stop, or at least slow the spread of COVID-19. I've attached the latest district COVID data, and the newest Color Map of Ohio from Governor DeWine's office. Defiance and Williams County are both Red, so please take any and all precautions to help us as a district stay FACE 2 FACE in some format.

Sincerely,

Mr. Kermit E. Riehle, Superintendent
Edgerton Local Schools
