

Dear Community,

On behalf of the Oregon City Schools' Board of Education and administration, we want to thank everyone who participated in our second annual survey. We had a total of 977 individuals take the survey which is a very good sampling of our community. The results have provided OCS leaders with information to assist in the long range-strategic planning process and communication efforts moving forward. If you have any questions regarding this survey or the results feel free to reach out to Superintendent Hal Gregory at hgregory@oregoncs.org or 419-698-6026. Thank you.
