How does it work?

The National Federation of High Schools (NFHS) partnered with Pixellot (camera hardware) and Play On Sports (platform software) to provide automated streaming technologies.

Your subscription will include scheduled sporting events held in both the Clay Memorial Stadium (football, soccer, etc) and Potter gym (volleyball, basketball, wrestling, etc).

Subscription passes are required to watch sporting events when they air LIVE and then for 72 hours after the live broadcast. After 72 hours, on demand sporting events are accessible for free.
