Oregon City Schools Department of Athletics 2023-2024 Tickets and Passes Information

Dear Community Member,

On behalf of the Oregon City Schools Department of Athletics, welcome to the 2023-2024 school year! It is crazy to think that we are less than a month away from the start of the fall athletic competition season! With that being said, our department wanted to send some important information regarding this year's ticket and pass structure. As we transition from serving as a member school in the TRAC to now serving as a member school in the NLL, you will see some minor changes and additions to our tickets and passes.

The intention of this letter is to outline and provide helpful information to you, our valued athletic department stakeholder. The goal of our athletic department is to provide you with an exceptional spectator experience, starting with purchasing tickets. Throughout the process, if you have any questions or concerns regarding ticketing, please feel free to email our ticketing helpline at tickets@oregoncs.org. We are always more than happy to assist you!
