MONROE 2-ORLEANS BOCES CAREER AND TECHNICAL EDUCATION AWARD WINNERS

Lauren Dauphinee

Association for Career and Technical Education Administrators (ACTEA) / WEMOCO Student of the Year Award

The Association for Career and Technical Education Administrators (ACTEA) awards one student enrolled in CTE at each BOCES for exemplary overall performance. The student selected is determined by the following criteria: for his/her performance in the CTE class, and for outstanding leadership and dedication to CTE outside of the classroom.

Lauren Dauphinee (Greece Arcadia) – Criminal Justice

John B. Barry Memorial Award

John B. Barry was an honored Chrysler Motors dealer for more than 25 years. He was a life member and past president of the Kiwanis Club of Brockport and the Kiwanis Club International. In 1967, Mr. Barry was instrumental in developing the automotive program at WEMOCO. He served with distinction on the first Advisory Committee. The Kiwanis Club of Brockport has created this memorial fund in his honor. The monies from this fund have been given to an outstanding student in the automotive program.

Connor Roberts (Brockport) – Automotive Technology

Donald F. and Maxine B. Davison Memorial Scholarship

The Donald F. and Maxine B. Davison family has dedicated a scholarship to be awarded to graduating seniors who have earned distinction and will pursue full-time study in an accredited college, university or technical school. The scholarship is awarded to students in the Advertising Design/Multimedia, Nurse Assisting, or Engineering and Metal Fabrication Academy program. The students need to have demonstrated distinction via at least one of the following: school performance, leadership, service, and/or character.

John M. Dennis Memorial Scholarship

The John M. Dennis Scholarship Fund was established in memory of a dedicated Monroe 2-Orleans BOCES retiree. Mr. Dennis worked for 21 years in both the Center for Workforce Development and Career and Technical Education, teaching robotics and electronics/robotics. He became the school-to-work coordinator for 10 years until he retired in 2009. During Mr. Dennis' tenure, he was a WEMOCO representative for the BOCES2 Teacher Association. He was also actively involved in SkillsUSA, serving as the NYS Officer Advisor for one year, the WEMOCO chapter lead advisor for a number of years, and into retirement as a competition judge and the NYS SkillsUSA webmaster. Mr. Dennis' love for cars, especially Corvettes and racing, continued into retirement, hence serving on WEMOCO's Automotive Technology Advisory Committee. This award honors a student who has demonstrated the ability to achieve his/her academic and career goals and possesses a strong work ethic. The recipient can use this scholarship to financially assist entering the workforce and/or education.

Antonio Collazo (Brockport) – Carpentry

Cameron B. Estes Memorial Award

Throughout his life, Cameron B. Estes was a man who skillfully balanced the requirements of a family, a career and a need to creatively use leisure time. Following his death in 1982, members of Mr. Estes' family, many of his friends, as well as many associated with Monroe 2-Orleans BOCES, helped establish a fund in his memory aimed at recognizing the benefits of wise and creative use of leisure time. This award recognizes a student who is cognizant of the fact that the proper use of leisure time takes as much careful and thoughtful planning and preparation as does a career, and that effective use of leisure time can provide individuals with the opportunity to make a significant contribution to their communities, their families and to themselves.

Connor Roberts (Brockport) – Automotive Technology

Jayden Hickman (Gates Chili) – Child and Family Development

The Victor and Janet Salitan Scholarship

Victor Salitan served for 30 years as a school district attorney for several school districts and for Monroe 2-Orleans BOCES for approximately 16 years. Mr. Salitan was the driving force behind acquiring the BOCES facilities. He was one of the founders of Monroe-Orleans Veritas Development Corporation, one of the first not-for-profit education corporations in New York. The purpose of this corporation was to purchase the BOCES 2 buildings, which were previously leased. Mr. Salitan's foresight and expertise assisted in the growth and development of BOCES2. In 1980, the Victor Salitan Fund was established at the Rochester Area Foundation. This gift is held by the Foundation as an endowment designated to benefit BOCES2. This generous designation is yet another example of Mr. Salitan's vested interest in programs serving youth and affords opportunities for BOCES students. The award is given to CTE students whose career paths have been positively impacted by CTE and who are choosing to continue their education at the postsecondary level.

MONROE 2-ORLEANS BOCES AWARD WINNERS

MAKE ALL THE DIFFERENCE SCHOLARSHIP

The Monroe 2-Orleans Educational Foundation honored 17 students at their annual scholarship and awards reception on Thursday, June 3 in Spencerport. Each year, the foundation awards \$5,000 scholarships to students for college or career training. Award recipients receive smaller amounts depending on their future plans.

The Monroe 2-Orleans Educational Foundation supports students who have taken a non-traditional path through their K-12 schooling and who plan to continue on to college or pursue career training. What does this mean? Some students are best served by non-traditional or alternative educational programs, such as special education, career and technical education and high school equivalency or Test Assessing Secondary Completion (TASC™). These programs have offered unique supports for students in meeting requirements for graduation. There are not many scholarship opportunities for students graduating from such programs. The Foundation exists to support these students by providing financial assistance for tuition, continued specialized support and appropriate educational supplies.
