STUDENT AMBASSADORS

A LEADERSHIP OPPORTUNITY FOR STUDENTS TO REPRESENT AND PROMOTE WEMOCO TO PROSPECTIVE STUDENTS AND PEOPLE THROUGHOUT THE COMMUNITY

Student ambassadors raise awareness of opportunities at the school, often by sharing their personal stories of success at WEMOCO. Wherever they are, ambassadors are easily identified by their bright red polo shirts.

You will find them providing tours, greeting and directing visitors, and assisting with other roles at WEMOCO and Monroe 2-Orleans BOCES events. They often present on the advantages of career and technical education at events in their home school districts.

At every event, people comment on the professionalism and helpfulness of WEMOCO student ambassadors. Younger students see these juniors and seniors as an impressive model of career readiness.

BECOME AN AMBASSADOR

Ambassadors are nominated by their program teachers. Students are welcome to express their interest in participating to their WEMOCO teacher.

After being nominated, students complete an application to explain why they are a good fit for the program. Selection is based on enthusiasm, active class participation, dependability and being a student in good standing with grades and attendance.
