

# Wyandotte Yearbook Important Senior Information

## SENIOR ADS

A fun way to make your senior's yearbook more memorable and personal is the senior ad. Families can purchase ads ranging in price from \$110 up to \$390 for a full page ad. The ad may contain a special message written by the family members and include pictures of your son or daughter.

See included information regarding the details of prices and sizes of Senior Ads. Senior Ads must be purchased by October 23, 2020 in order to be included in the 2021 yearbook. It is very important to meet this deadline.

## SENIOR PORTRAITS

In order to be included in the Northview High School 2021 yearbook, there are a few guidelines which need to be followed. The yearbook has an agreement with Kurt Nielsen Photography (419-885-7153) in Sylvania that assures all seniors who have a sitting by November 13 the guarantee of the portrait of their choice for the yearbook.

We work with many photographers, so any photographer may take your son's or daughter's senior portrait; however, we must receive a **color formal portrait with a plain portrait background** by November 13, 2020. The actual picture should be a **formal shot of the head and shoulders ONLY** and should be a wallet size (no smaller than 300ppi, 3x5). It's important that you give your photographer this information, we **DO NOT** want photos with trees, other objects, hands, etc in the photo. ***We do not recommend that you take your own photos.*** We reserve the right to determine that your photo is not of the proper quality, in which case we will use the school's formal portrait taken for the School ID instead. We will contact you in this situation. This photo is also used in the Senior Composite that hangs in the school. Please see reverse side for more information.

Please email this photo to [shuey@sylvaniaschools.org](mailto:shuey@sylvaniaschools.org), it should be a jpg (at least 300ppi) and be titled: last name, first of the senior.

## YEARBOOK SALES

This year, yearbooks will be on sale for a special price of \$70 during the August registration days. Students will have the opportunity to buy a yearbook in room E-6 at any time at the price of \$70 until December 31. Prices will go up to \$75 in January and February. Students can purchase yearbooks until February 28, 2021. At that time we have to put our final order in to the yearbook company and no more will be sold. If you wish to purchase your yearbook with a credit card you can do so at: [www.jostensyearbooks.com](http://www.jostensyearbooks.com)

Name stamps, icons, crests, and monograms added to the cover to personalize your senior's yearbook will be available at an additional cost **online ONLY**.

Please note that only a few extra yearbooks are ordered above the actual number that are sold, so it is important that students purchase their yearbooks in the summer or fall. They are sold for \$80 at the end of the year, so order early to avoid the EXTRA cost. We SOLD OUT LAST YEAR, so DO NOT forget to pre-order!

If you have any questions please call the yearbook staff at **419-824-8708**  
or email the Adviser, Sarah Huey, at [shuey@sylvaniaschools.org](mailto:shuey@sylvaniaschools.org)
