All ads can include photos and text and are in color, using the font we have chosen for the senior ad section of the yearbook. We can design your ad for you, all you need to do is provide us with the text and photos. You can easily email us all of this at the below email address.

Dimensions are listed with prices and questions can be answered by emailing advisor Sarah Huey at **shuey@sylvaniaschools.org**.

The Wyandotte Staff retains the right to use any color or font on the ads that we create to best fit our chosen theme for the year. We can resize all photos and make almost anything fit your ad for you using supplied photos or ad art. You can also email images and text to us.

** Checks made payable to The Wyandotte
