

# Yearbook Senior Information

important

## senior ads

A fun way to make your senior's yearbook more memorable and personal is the senior ad. Families can purchase ads ranging in price from \$110 up to \$390 for a full-page ad. The ad may contain a special message written by the family members and include pictures of your son or daughter. Please take a look at the included information about the details of prices and sizes of Senior Ads. They must be purchased by **October 18, 2024**, in order to be included in the 2025 yearbook.

## senior portraits

In order to be included in the Northview High School 2024 yearbook, there are a few guidelines that need to be followed. The yearbook has an agreement with Kurt Nielsen Photography (419-885-7153) in Sylvania that assures all seniors who have a sitting by November 29 (he has a later date than anyone else) the guarantee of the portrait of their choice for the yearbook, he often can also take them a little later if you ask. We work with many photographers, so any photographer may take your son's or daughter's senior portrait,

We must receive a color portrait with a simple background by **November 8, 2024**. The actual picture should be a portrait-style photo of the head and shoulders ONLY. It's important that you give your photographer this information, we DO NOT want photos with trees, other objects, hands, etc in the photo. Your senior must be facing the camera and cannot be leaning into the frame from an extreme angle or leaning against an object. No social media/selfie photos please and we do not recommend that you take your own photos. We reserve the right to determine that your photo is not of the proper quality, in which case we will use the school's formal portrait taken for the School ID instead. This photo is also used in the Senior Composite that hangs in the school hallway. We do this so that all seniors can have a similar-sized photo.

Please email this photo to [shuey@sylvaniaschools.org](mailto:shuey@sylvaniaschools.org), it should be a jpg (at least 300ppi) and **titled: last name, first name of your senior**.

## yearbook sales

Yearbooks will be on sale for \$80 from August until December 28, at that time the price increases to \$85. Students will have the opportunity to buy a yearbook in room E-6 at any time until February 28, 2025. At that time we have to put our final order in. If you wish to purchase your yearbook with a credit card or personalize your yearbook you can do so at: [www.jostensyearbooks.com](http://www.jostensyearbooks.com).

Please note that only a few extra yearbooks are ordered above the actual number that are sold, so students must purchase their yearbooks before February 28. We have sold out twice before, so DO NOT forget to pre-order!
