

Bellbrook High School Softball

Four servant leadership roles that our program captains will embrace:

1. Supportive Mentor:

Responsibility: Act as a mentor for newer or less experienced JV & Varsity teammates and underclassmen leaders.

Actions: Offer guidance, share experiences, and provide encouragement to help teammates improve their skills and adapt to the team dynamics.

2. Team Unity Facilitator:

Responsibility: Foster a sense of unity and camaraderie among JV & Varsity teammates.

Actions: Organize team-building activities, encourage positive communication, and address conflicts with love to create a cohesive and supportive team environment.

3. Lead by Example:

Responsibility: Demonstrate the values and work ethic expected from the team all year.

Actions: Show dedication to all opportunities in the off-season, pre-season, and in-season to become better versions of yourself, exhibit sportsmanship during games, and uphold the team's standards both on and off the field to set a positive example for others.

4. Communication Liaison:

Responsibility: Be a bridge between the coaching staff and your teammates.

Actions: Communicate effectively with coaches, conveying team concerns, suggestions, and feedback. Ensure that information from the coaching staff is effectively conveyed to the team.

These servant leadership roles emphasize the captain's commitment to serving the team and others, first, leaving a legacy of love, humility, and commitment for the future leaders of the program.
