**#Classified Students who are transitioning to K but do not get summer services, will still report a PS TOD record for the months of July and August, and therefore need a corresponding enrollment to report the TOD record** † If no summer preschool SE services were provided, do not submit a PS EOY Snapshot record (must create disability fact record without creating an EOY snapshot) \*The enrollment end date can be the same as the end date of the PS TOD record ^TOD record date may be earlier due to settings in your SPED management system
