Community Event: FCCLA is Preparing for Cancer Walk (May 9th)

Ottoville's doors are open to all community members on Friday, May 9th for the annual Cancer Walk. Retiring teacher, Denny Mumaw, will be this year's guest speaker, and several activities inside and outside the school will be available for students of all grades. Raffle tickets, wrist bands, and food and snacks can be purchased on this day. All proceeds will go toward funding cancer research. Please consider attending this year's fundraiser if you are able.

Behind the GREEN Doors

2025 Prom King and Queen are Crowned

Seniors Landon Horstman and Andrey Swint were crowned Prom King and Queen by their peers at the annual dance. The juniors planned this year's prom with a casino theme.

Third Grade Wax Museum

Third graders put on their annual event of dressing up as famous figures and bringing their own wax figure to life. Community members were invited to "push a button" to prompt the wax figures to speak about the figure's experiences and accomplishments.

Board Meeting

Updated School Board meeting minutes and agenda can now be found in the School Board tab on our website: www.ottovilleschools.org

Imagination Station

The First Grade recently visited Imagination Station. What a great day exploring science! Some favorites included the anti-gravity house, Wheel of Fire, live science show, giant water table, hurricane lab, and tennis ball launcher. They enjoyed many hands-on areas and represented Ottoville in the best possible way! If you are looking for an educational day trip this summer- this would be perfect!

Last Chance for Yearbook Preorders

Time is running out to preorder your 2024-2025 yearbook! Books can be preordered, starting at \$50, at www.jostens.com.

Yearbooks will be delivered at the start of next school year. Thank you for helping our yearbook program!

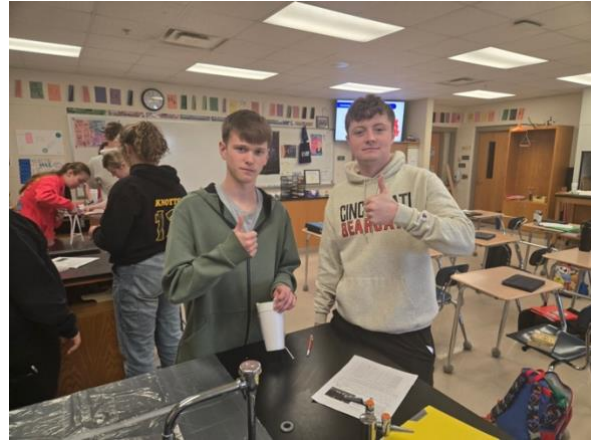

The screenshot shows the 'FIND MY SCHOOL/GROUP' search page. It includes a search bar with the text 'Enter School/Group Name', a dropdown menu for 'State/Province', and a 'SEARCH' button. Below the search bar, there is a link that says 'Can't find your school/group?'. Underneath, there is a section titled 'PREVIOUS AFFILIATIONS' which lists 'Ottoville High School' with the location 'Ottoville, OH' and a 'SHOP THIS SCHOOL' button. A 'Remove' link is also visible below the school name.

Behind the GREEN Doors

Egg Drop Competition

Students in Mr. Pitt's physics class successfully demonstrated their knowledge of momentum and impulse in an egg drop competition. They built contraptions, consisting of materials like cups, plastic sheets, and duct tape, in order to keep a raw egg from cracking when dropped from the crow's nest in the high school gymnasium.
