The first grade recently visited Imagination Station on a field trip! The day was phenomenal! There was so much fun and learning. The hands-on approach was fabulous. Some of the highlights include the gravity house, water table, hurricane simulator, Grow University, live science shows, Wheel of Fire, tennis ball launcher, penny tornado drop, and Idea Room which had us creating all sorts of things! The day went by so quickly! We were complimented on our school T-Shirts and the excellent behavior of our students! What a great day!
