

MathCounts Competition Results

MathCounts Chapter Competition saw the team of Tressel Gasser, Ty Schnipke, Henry Schnipke, and John Horstman finish in 2nd place. We had 14 students participate in the contest. Henry Schnipke finished 2nd overall and advanced to the State Competition at Ohio State University on March 7th.

Robotics Team

Mr. Pitt lead our first ever Vex Robotics Team to compete in coding and robotics challenges against 5 other schools in the county. Ottoville's eighth graders received first place for their efforts, and will be back again later in the year to compete in more challenges. Robotics teams across the county were formed and funded thanks to a statewide grant provided by Vex.

Pizza Box Challenge

Ottoville teachers are shown competing in a pizza box challenge as a family activity during a PBIS event.

March 2026 Events

Mar 20 → End of 3rd Quarter
Mar 27 → HS Musical
Mar 28 → HS Musical

Yearbook Preorders

Interested in purchasing an older yearbook? Email Mr. Kumfer to ask what we have available: kkumfer@ottovilleschools.org

Board Meeting

Updated School Board meeting minutes and agenda can now be found in the School Board tab on our website: www.ottovilleschools.org

Generous Playground Donation

Kinsley Turnwald, a 3rd grader in Mrs. Edelbrock's class, recently won a coloring contest held by Mid-State Van Wert. Kinsley was awarded \$250 and donated that amount to the school for playground improvements. Congratulations to Kinsley! We are grateful for her generous donation.

Design-an-Ad Contest

Congratulations to Aubrey Maenle (1st Place) and Elsie Looser (2nd Place) for winning The Delphos Herald's "Design-an-Ad Contest!"

FCCLA Leadership Conference

FCCLA Officers and Class Representatives are pictured with Brock Mealer, who spoke during the Spring Leadership Conference.

Behind the GREEN Doors

First Grade Celebrations

First graders enjoyed celebrating Valentine's Day and the 100th day of school!

Element Superheroes

Mr. Pitt's freshmen classes dressed up as their favorite elements, and also gave presentations on their chosen element's properties.
