

Behind the Green Doors - March 2023

Third Grade News

Third graders preparing for their chicks. Soon we will have chicks hatching!

Third graders Beau Wehri, Harrison Beaubien, and Maggie Buss share items they brought in that reminded them of what they read in books about George Washington or Abraham Lincoln.

The third graders are learning about chicken embryology. Kennedy Calvelage and Gemma Gasser are dissecting an egg under the guidance of the 4-H Ohio State Extension office. They're hoping to hatch some chicks in about 3 weeks!

Random Acts of Kindness

On February 17th the elementary school celebrated Random Acts of Kindness Day. Kindness was spread all throughout the building and community! If you see someone without a smile, give them one of yours!

Nolan Horstman and Ben Nichols also share items about their books.

Behind the Green Doors - March 2023

Math Counts Competition

Twelve junior high students participated in the MathCounts Chapter Competition on February 10. Congratulations to the second place team of Luke Horstman, Cody Calvelage, Allan Ricker and Liam Druckemiller. Individually, Liam Druckemiller placed 9th overall and Cody Calvelage placed 2nd. Cody advances to the State MathCounts Competition in Columbus on March 11.

PCL Champions!

8th Grade Girls beat Miller City 44-19 in the final tournament game. Congratulations on a great season!

Science Fair News

Ottoville Middle School students took part in the County Science Fair. It was a very successful day. Excellents were taken by Lilly Schnipke, Owen Bellman, Liv Grothaus, the team of Cody Calvelage and Cade Hilvers and the team of Aidan Hoffman and Cody Landin. Superiors were taken by Courtney Burgei, Jade Schnipke, Kate Turnwald, Lauren Moreno, Nolan Beaubien, Brie Birkemeier and the team of Jonah Buss and Ty Horstman. A perfect score was earned by the team of Cassidy Deitering and Karlee Horstman.

Several special awards were also won by Ottoville students. Lauren Moreno won the Dental Award and the Physiology & Human Health Award. Cody Calvelage and Cade Hilvers won the Originality and Creativity Award. Aidan Hoffman and Cody Landin won the Botany Award and also won the Outstanding Team Project Award. Jade Schnipke won the Outstanding Report Award and the Nutrition/Fitness/Health Award. Brie Birkemeier also received the Outstanding Report Award as well as the Medical Award. Cassidy Deitering and Karlee Horstman won the Animal Science Award. Liv Grothaus won the Water Quality Award and the Ecological Conservation Award. Kate Turnwald won the Physiology & Human Health Award and the Outstanding Presentation Award. Congratulations to all participants!
