

Behind the Green Doors – November 2021

STATE GOLF TOURNAMENT

The Ottoville Golf Team competed at the OHSA State Golf Championships at the Ohio State Golf Club - Scarlet Course on October 15 & 16. The team finished 10th at the tournament. It was the first time since 1994 that the team made it to the state tournament. To make it to state, the team won the District Tournament for the first time since 1985 at Bowling Green's Stone Ridge Golf Club. The team would like to thank all their supporters throughout the year and over the last month including the school, boosters and their parents and families!

FIRE SAFETY TRIP

Kindergarteners made a trip to the local fire station to learn about fire safety. After the trip, there was a fire safety assembly with grades K-2.

Class Creations

Mrs. German's class was working with Mrs. Lindeman to make "Monster Doughnuts!"

National Technical Honor Society

Gwyneth Martz and Nolan Miller were inducted into the National Technical Honor Society at Vantage Career Center. Congratulations Gwyn and Nolan!

Behind the Green Doors – November 2021

Red Ribbon Week

The first grade classes celebrated Red Ribbon Week October 22-28. This was a week spent discussing ways to make good choices for our bodies as well as how to be a good friend to all. Many fun activities were completed. One activity that was especially enjoyed was creating "Frankenstein" to help decorate the first grade doorway! Frankensteins were placed around the door with a caption that said, "Be like FRANK! Say BOO to drugs!"

"Students average between 27 to 32 credit hours of college credit while in High School at Ottoville."

What is College Credit Plus

Basically, a high school student can earn college credit while in high school at no cost to him/her or their family. The student can do this by attending the university exclusively, staying at the high school with a college professor, or stay at high school and be taught by a high school teacher who is an adjunct professor.

the Ohio Department of Higher Education (ODHE) recently announced that the state will begin to offer College Credit Plus, which allows high-achieving students the opportunity to earn college credit while in high school.

More Than 52,000 Ohio High School Students Saved More Than \$120 Million on College Tuition

the first year of the program, the state saved more than \$120 million in college tuition. The program was created to address an unmet need, said Ohio Department of Higher Education Chancellor John D. O'Connell. "College Credit Plus is a great way for students to get a jump start on their future education while in high school, saving money in the process. [CLICK HERE FOR NEWS RELEASE](#)

Ottoville offers 50 plus credits for students. Obviously, not all students can take all the credits offered due to schedules and time. Ottoville students upon graduation leave with 27-32 credits as they enter college. We have to monitor this because if they leave with too many credits then they may not be eligible for scholarships offered to incoming freshmen as they may have sophomore status with their credits.

The cost per credit differs depending on the University. Ottoville deals with Rhodes State and Ohio Northern University. They charge anywhere from \$40/credit hour to \$166.55/credit hour. Who picks up this cost? The Local School district does. In the last 4 years Ottoville Local Schools has paid out \$127,813.00 for college credit for our students.

Last years senior class left with 618 college credits which would have cost them \$111,858 if they would have attended Rhodes State or \$505,524 if they had attended The University of Findlay.
