

TOYS FOR TOTS

Recently, the elementary held a competition to see which grade could bring in the most toys to donate to Toys for Tots. The second grade eeked out a win over the fifth grade. We are still accepting donations from every grade through the first two weeks of December. Please send a toy with your child to donate this holiday season. Thank you for your generosity!

KINDERGARTEN REGISTRATION FOR 2021-2022 SCHOOL YEAR

FOOD DRIVE SUCCESS!

In times like these, we felt that the Food Drive was extremely important this year. With over 12,500 items collected, it has been one of our most successful Food Drives to date. All of the items collected will go to the Continental Food Bank, where any family in Putnam County has the opportunity to go and get items they want. To make it fun for the students, the National Honor Society comes up with a point system, and has a competition between the High School classes. Students brought items into school in the morning, and throughout the day members of the National Honor Society helped count and package the items to be loaded into a trailer.

1,000TH POINT SCORED!

The morning after Thanksgiving, senior Joshua Thorbahn signed his letter of intent with the University of Findlay, and that evening scored his 1,000th point in the basketball game vs Cory Rawson. Josh stated, “I love how the Findlay coaches and team welcomed me every time I stepped foot on campus. I love how much the Findlay fans and community support their basketball team.

With my parents being Findlay basketball alumni, it’s always held a special place in my heart, and it’s been like a second home to me. I am thinking about pursuing a major in business and marketing. I was a little nervous about scoring the 1,000th point because I had family members who traveled to see me accomplish this goal. It felt like a now or never situation. But once the game started I didn’t really feel nervous at all. It’s an honor to be mentioned with others who’ve scored 1,000 points for Ottoville; just to be a part of that group is a blessing. It has also made me think how thankful I am for all the people that have supported me. Without them, I wouldn’t be the athlete or person I am today.”
